

Pathways to Membership

ACHIEVE ICAEW MEMBERSHIP – BASED ON YOUR EXPERIENCE

Pathways to Membership enables fully qualified and experienced members from certain professional bodies to apply for ICAEW membership based on their experience. So whether you work in practice, academia, business or public sector, gaining ICAEW membership through the Pathways to Membership route could help you achieve your professional and personal ambitions.

Eligible applicants need to complete an Examination of Experience. This is a series of questions which you complete in your own time and submit by the deadline. You don't have to undertake any formal tuition or sit any exams in an exam hall and there is plenty of support and guidance to help you prepare your application.

WHO CAN APPLY?

If you are a current, fully qualified member of CA Sri Lanka with at least five years' of full membership you may be eligible to apply for ICAEW membership under the Pathways to Membership route. Further eligibility criteria apply.

Your application must be supported by a sponsor. This person needs to be a fully qualified professional who holds full membership of a professional body that is itself a full member of the International Federation of Accountants (IFAC). Further sponsor criteria apply.
