Dear Students/Lecturers,

Testing of the new Inland Revenue Act for the 2018 December Exam for KB 3 & KC 3 modules

Please note that the new Inland Revenue Act No 24 of 2017 will be tested from the December 2018 exam onwards.

As an additional support for this new testing, CA Sri Lanka has developed a set of model questions for the reference of students who are preparing for the KB 3 Business Taxation & KC 3 Corporate Taxation modules.

You can download the model questions via the below path:

www.casrilanka.com > Students > Examination > Model Papers/Questions

Please note that the Inland Revenue Act No 24 of 2017 is recommended for both KB 3 Business Taxation & KC 3 Corporate Taxation as an open book exam material. That is available in CA Sri Lanka sales center.

In the event of any further updates, the Institute will communicate it to you in due course.

Thank you,
CA Sri Lanka
