Registration of Teaching Colleges

The Institute of Chartered Accountants of Sri Lanka (CA Sri Lanka) is the country's national professional accounting body, with over 4300 members and 41,000 registered students. Established in the late 1959 by an Act of Parliament (No. 23 of 1959), the Institute is one of Sri Lanka's largest professional bodies and was the first professional accountancy organization to be incorporated under an Act of Parliament.

In its capacity as one of the largest tertiary education providers in the country, CA Sri Lanka has progressively expanded to the rural most areas of the country, in its continuing endeavor to ensure the importance of chartered accountancy is propagated throughout the country and not only to urban areas.

In ensuring this objective becomes a reality, CA Sri Lanka has launched a fresh initiative aiming to register all 'Teaching Colleges' which deliver lectures on the CA programme. This new initiative will provide benefits and supports to teaching colleges and lecturers in delivering lectures which will ultimately help improve the students' performance.

Benefits for Teaching Colleges

Colleges which registered with CA Sri Lanka will be entitled to receive the following benefits:

- Opportunity to use "**Partner in Learning**" logo which can be used in the college letter heads and promotional materials.
- Opportunity to publish your collegename in the '**Learning Partners list**' of CA Sri Lanka
- Advertising opportunities in our Student Guide & Web site (subject to a fee).
- Periodic meetings for Lecturers with the subject experts & administrative staff of CA Sri Lanka.
- Orientation/ Awareness programmes for the students at the college premises.
- **Teacher Training programmes** for lecturers (for a fee).
- **Free electronic copies** of relevant study materials.
- Arrange meetings for lecturers with the Examination representatives to discuss model answers and examiners comments.

You may apply for registration under this scheme, if you are conducting lectures for CAB I /CAB II / Strategic Level I/ Strategic Level II examinations of CA Sri Lanka.
