

CORPORATE AND STRATEGIC LEVEL EXAMINATION – DECEMBER 2020 SUSPENSION OF EXAM RESULTS

The Examination Committee of CA Sri Lanka is disappointed to note the identification of several students at the Corporate and Strategic Level Online Examination held in December 2020.

Further, the proctors' reports are currently being reviewed in relation to some students. It is confirmed that no mandated exam protocols have not been violated. The examination results of these students are suspended pending completion of the investigation process and the subsequent decision of CA Sri Lanka.

Identification of further instances could result in immediate suspension of results of the examination and results being released.
