

INTEGRATED CASE STUDY EXAM

Dear Students,

As per the progression rule applicable for the SL5 Integrated Case Study Exam, students must complete the 'Communication Skills' pillar exam and the 'Information Skills' pillar exam before sitting for the SL5 exam.

The Integrated Case Study Exam (SL5) will include an assignment (20 marks) and a written exam (80 marks).

The progression rule will be strictly monitored at the Integrated Case Study exam scheduled in December 2021 and in all other future exams. Therefore, please ensure that you complete the 'Communication Skills' pillar and 'Information Skills' pillar exam before submitting your application to sit for the Integrated Case Study exam scheduled in December 2021.

Students who will be sitting for the Integrated Case Study exam in May and August 2021 must immediately register for the 'Communication Skills' pillar courses/exams and 'Information Skills' pillar courses/exams if they have not registered yet. Students who will sit for the Integrated Case Study exam scheduled to be held in May and August 2021 will be required to complete all the skills pillar exams and the 'Viva Voce & Presentation' which is held prior to awarding the Associate Membership.
