

BUSINESS LEVEL EXAMINATION - JUNE 2021

Dear Students,

Arrangements are currently being made to conduct the Business Level I and II exams as an examination at exam centers in Colombo, Kandy, Galle, Kurunegala, Anuradhapura, Ratnapuram, Batticaloa.

However, if an unexpected situation arises due to COVID-19 where the computer-based exam is held at physical locations, the Institute will conduct an online examination under strict regulations. Students are strongly encouraged to sit for the online exam.

Given below are the requirements needed to access the online examination in line with the features to prevent malpractices.

- **Internet: 4G Broadband Connection**
- **Desktop/Laptop with Windows 8.1 or 10 and a webcam.**

In the event, CA Sri Lanka decides to conduct the examination online, a mock exam will be conducted before the actual exam for the convenience of students to gain hands on experience on how to sit for the exam.

CA Sri Lanka is currently conducting a survey to obtain information in relation to the infrastructure at your residence/office. Please provide your feedback by accessing the survey link below.
