

EMPOWERING STUDENTS & VILLAGERS OF RURAL NELLIYA WITH CLEAN DRINKING WATER

THE STORY

- Welgaala Kanishta Vidyalaya is located in rural Nelliya in the Ibbagamuwa division in the Kurunegala District.
- The school has a total of 358 students & 20 teachers at the school.
- There are around 392 families living in this area and more than 5 CKD patients have been reported.
- The village suffers from a scarcity of clean drinking water. The water in the area is brackish and contaminated with calcium deposits.

PROPOSED SOLUTION

- Install a Community Clean Drinking Water Supply powered by a SL Navy installed Reverse Osmosis Plant.
- The plant will be capable of producing an output of 6,000 litres per day which will fulfill the needs of the community.
