From the Office of the Chief Executive Officer

10 July 2023

Dear Member,

The search is on for Sri Lanka's Best CFO, Rising CFO & Best Entrepreneur for 2023

In the year 2022, the Institute of Chartered Accountants of Sri Lanka (CA Sri Lanka) unveiled the inaugural competition to crown the Best CFO, Rising CFO, and Best Entrepreneur, where three exceptional Chartered Accountants were celebrated for transcending businesses to the next level while effectively contributing to both society and the country.

Built on last year's overwhelming success of this landmark initiative, I am delighted to inform you that CA Sri Lanka is once again calling for applications for the year 2023, in our quest to crown three of the best change-makers as Sri Lanka's

- **Best CFO**
- **Rising CFO &**
- **Best Entrepreneur**

From traditional number cruncher to navigator, the world has become extremely tough for CFOs in recent years, with renewed challenges at almost every front amidst a fiercely competitive business landscape. However, many of our members with their astute and exceptional skills have successfully navigated the numerous challenges time after time and have played a critical role in helping their companies sustain.

While traditionally Chartered Accountants have been known to be specialists in the fields of accounting and finance, over the years, we have also seen our members take on diverse roles, including those of successful entrepreneurs, to give Sri Lanka the necessary boost to help transition towards an innovation-driven economy.

Therefore, to recognise the outstanding contributions by our Chartered Accountants to the corporate, community and country, we are now accepting applications for the Best CFO, Rising CFO, and Best Entrepreneur awards for 2023.

For more information on the eligibility criteria to apply for the three categories, please refer the attachments, and submit your duly filled application to ceo@casrilanka.org on or before **31 July 2023**.

The winners will be crowned at the 44th National Conference of Chartered Accountants in October 2023, which will be attended by members, business leaders, and c-suite executives.

Thank you,

Yours sincerely,

**THE INSTITUTE OF CHARTERED ACCOUNTANTS
OF SRI LANKA**

**Prasanna Liyanage
ACTING CHIEF EXECUTIVE OFFICER**
